

DAVID TOURETZKY

Touretzky has a website that contains various instructions on how to build bombs. These instructions include how to bomb police cars. Carnegie Mellon University hosts Touretzky's website. Touretzky is closely associated with **Zenon Panoussis**, **Fredric Rice**, **David Rice**, **Arnaldo Lerma** and **Keith Henson**. They plan anti-Scientology activities through the Internet. Another very close associate of Touretzky is **Robert Clark** who was arrested in 1990 for hacking into Los Alamos National Laboratory. Clark posted bomb threats against the Church of Scientology.

ZENON PANOUSSIS

In 1997, Panoussis was a member of the Anti-Olympic Committee. This group supported the bombings that were staged in an effort to sabotage Sweden's plans to host the 2004 Olympics. The rave club "Docklands" did the bombings and one of their members, Mats Hinze, was caught in September 1997 while attempting to bomb the statue of the Olympic games. In 1999 Panoussis was arrested for verbally assaulting a police officer in Belgium.

Panoussis hosts websites on his server containing bomb-making instructions.

FREDRIC RICE DAVID RICE

Both David Rice and Fredric Rice claim to be "human rights activists". In reality they are anarchists who spread hatred, discrimination and exhortation to violence.

David Rice has posted a message in a hate newsgroup suggesting to kill members of the FBI.

Fredric Rice has threatened government officials over the internet.

ANDREAS HELDAL-LUND

Heldal-Lund owns and operates Operation Clambake Message Board from Norway, which is being used to foment hatred against the Church and its parishioners. It also contains death threats addressed to members of the Church of Scientology, some of which have been made anonymously.

Heldal-Lund is very active in instigating hatred against Scientology and its members as well as against others, such as his avowed effort to bring down the Norwegian State Church.

KEITH HENSON

In April 2001 Keith Henson was convicted of a hate crime by a Riverside Court crime for making threats against members of the Church of Scientology.

Henson is an explosives expert.

ARNALDO LERMA

Lerma is a supporter of the Neo-Nazi movement in the US founded by Willis Carto. Lerma was on the Board of Policy of Liberty Lobby, an anti-Semitic organization founded by Carto.

Lerma is also associated with the Utopian Anarchist Party (UAP), anti-government militia group. The UAP promotes the overthrowing of the US government, the killing of police officers and their website teaches how to build bombs. Lerma is a close associate of **William White** who is the spokesperson of the UAP. In November 1996 and January 1997 White was arrested and convicted of battery and carrying a concealed weapon.
